

## REMARKS

The foregoing amendments are made solely to insert the required SEQ ID NO identifiers associated with various listed sequences. No new matter is added by way of these amendments.

In response to the Notification of Missing Parts mailed October 14, 2005, Applicants enclose the accompanying paper copy (written form) entitled "Sequence Listing" and two copies of a disk containing the Sequence Listing in computer readable form (PatentIn V.3.3). The information recorded in computer readable form is identical to the written sequence listing submitted herewith. No new matter is added by way of entry of this Sequence Listing. It is believed that the application is now in compliance with the sequence rules, 37 C.F.R. 1.821-1.825.

Applicants believe that no fees are due with this response. However, if required, the Commissioner is authorized to charge any necessary fees associated with this response to Barnes & Thornburg, Deposit Account No. 10-0435, with reference to our matter 6398-78031.

With entry of the foregoing amendments, the application is believed to be in condition for examination and allowance. Consideration of the claims, leading to their allowance and passage of the application to issuance, is respectfully requested.

Respectfully submitted,
